(Pursuant to Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

ASAL

AUTOMOTIVE STAMPINGS AND ASSEMBLIES LIMITED

1. Scope and Objective

This Policy seeks to lay down a broad framework for the distribution of dividend by the Company whilst appropriately balancing the need of the Company to retain resources for the Company's growth & sustainability. Through this policy, the Company also endeavors to maintain fairness and consistency while considering distributing dividend to the shareholders.

The Policy sets out the circumstances and different factors for consideration by the Board at the time of taking a decision on distribution or retention of profits, in the interest of providing transparency to the shareholders.

2. Statutory Requirements

The declaration and distribution of dividend shall, at all times, be in accordance with the provisions of the Companies Act, 2013, read with applicable rules framed thereunder, as may be in force for the time being ("Act") in particular Sections 2(35), 24, 51, 134(3)(k), 123, 124, 125, 126 and 127 of the Act and the Companies (Declaration and Payment of Dividend) Rules, 2014, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), such other applicable provisions of law and the Articles of Association of the Company as amended.

3. Parameters to be considered while recommending/declaring dividend

The Board while declaring or recommending dividend to the shareholders, will consider following financial/ internal and external factors:

Financial/Internal Factors:

- Profits earned and available for distribution during the financial year subject to positive shareholders equity as at end of the dividend distribution period
- Accumulated reserves, including retained earnings
- Past dividend trends – rate of dividend, EPS and payout ratio, etc.
- Earning Stability
- Future Capital Expenditure requirement of the Company
- Growth plans, both organic and inorganic
- Crystallization of contingent liabilities of the Company
- Cash Flows
- Current and projected Cash Balance and Company's working capital requirements.
- Covenants in loan agreements, Debt servicing obligations and Debt maturity profile.

External Factors:

- Economic environment, both domestic and global.
- Unfavorable market conditions
- Changes in Government policies and regulatory provisions
- Inflation rates

4. Circumstances under which shareholders of the Company may or may not expect dividend

The decision regarding dividend payout is a crucial decision as it determines the amount of profit to be distributed among shareholders and amount of profit to be retained in business. Hence, the shareholders of the Company *may expect dividend* only if the Company is having surplus funds after providing for all the expenses, depreciation, etc., and after complying with the statutory requirements under the Applicable Laws.
