Limited review report on unaudited quarterly financial results and year-to-date results of Automotive Stampings and Assemblies Limited pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

To Board of Directors of Automotive Stampings and Assemblies Limited ("the Company")

- We have reviewed the accompanying Statement of unaudited financial results of Automotive Stampings and Assemblies Limited for the quarter ended 30 September 2021 and year to date results for the period from 1 April 2021 to 30 September 2021 ("the Statement").
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited review report on unaudited quarterly financial results and year-to-date results of Automotive Stampings and Assemblies Limited pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (continued)

5. We draw your attention to note 5 to the unaudited financial results for the quarter and half year ended 30 September 2021, which states that the Company has incurred losses in the recent years which was also impacted by COVID-19. While there has been an improvement in business operations in the current period, it has incurred a net loss before exceptional Item of INR 140.01 lakhs and INR 665.64 lakhs during the quarter and half year ended 30 September 2021 respectively. Further, as at 30 September 2021, the Company's liabilities exceed its total assets by INR 9,684.81 lakhs and the net worth of the company as at 30 September 2021 is negative. These events or conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the Management has prepared the unaudited quarterly financial results on a going concern basis since they have a reasonable expectation that the company would be able to meet its liabilities on the basis of letter of financial support provided by the Holding Company, access to alternative sources of funding by the Group entities, implementation of various measures to improve operational efficiency and optimise margins and plan to sale surplus properties to reduce borrowings and interest costs.

Our conclusion is not modified in respect of this matter.

- The Pandemic "COVID19" spread has impacted business around the world including India. There has been disruption in regular business operations due to measures taken by the Government, mainly in the last financial year. The Company has done a detailed assessment of the impact on the liquidity position and carrying value of assets like trade receivables, property, plant and equipment's and other financial assets. Based on this assessment, there are no adjustments required. However, the impact assessment of COVID-19, is subject to estimation uncertainties and the actual impacts in future may be different from those estimated as at the date of approval of these financial results. The Company will continue to monitor any material changes to future economic conditions and consequential impact on its financial results.
